

U.S. Patent Application No. 10/581,006
Attorney Docket No. 10191/4759
Reply to Office Action of May 27, 2008

Amendments to the Drawings:

One Replacement Sheet for Figure 5 accompanies this response, as suggested. No new matter has been added, and the Replacement Sheet (which is plainly legible as to Figure 5) is supported by the present application, including the specification. Entry and approval is respectfully requested.

Attachment: One (1) Replacement Sheet.
